## AIR NIUGINI EXPANDS SERVICES

**EFFECTIVE SEPTEMBER 5, 2010**

Air Niugini wishes to advise the travelling public that a number of additional services have been introduced effective Sunday September 5, 2010. The additional services have been made possible due to the recent addition to its fleet of the new Q400 Nextgen Turboprop aircraft and an additional Boeing 767 300ER aircraft.

Air Niugini has added a third service to/from Mount Hagen on Monday and Thursday. A new service has also been introduced to/from Mendi on Monday, as well as a second Mendi service on Saturday.

The Manila service moves from Saturday to Sunday. Revised times are also in place for the Port Moresby-Vanimo-Wewak-Port Moresby service on Friday; the Port Moresby-Cairns service on Sunday; and the Port Moresby-Buka/Rabaul-Port Moresby on Monday. Air Niugini has already introduced a new Port Moresby-Cairns service on Tuesday with return service on Wednesday.
