

Air Niugini

'FAIL TO BOARD' NOTICE

To Our Valued Customers,

We would like to remind travellers that we do have a fail to board policy which states that a ticket shall be forfeited in the event of a fail to board.

Fail to board is when a passenger already checks in online or at the check-in counter and has a boarding pass, but does not board the flight for some reason.

Effective from 29th of June 2020, any passenger that checks in online or at the check in counter and fails to board the flight shall have his/her ticket forfeited and that applies to all passengers with Economy or Business class tickets.

We therefore encourage travellers to proceed to the Departure Lounge once check in formalities is completed to be aware of flight boarding announcements.

Be a Wise traveller!
